

### Bat Garland Template

1. Cut out the bat template above
2. Fold a piece of paper in half - black construction paper works well or you can use decorative scrapbook paper.
3. Place bat template along folded edge as shown
3. Trace along edge of the bat shape
4. Cut out along your line
5. Unfold and you will have a both sides of your bat cutout.
6. Punch out holes for eyes or glue on embellishments such as glitter, stick on gems or red or orange paper cut into shape as shown.
7. Punch small holes in the top corner of each wing and string to hang.
