

**KarenCookieJar.com - Free printable Happy Halloween Banner Instructions:**

**1.) Print onto white letter size (8.5x11) card stock.**

**2.) Choose "Actual Size" under Size Options on the PDF Print confirmation page.**

**\*You do not want to shrink or scale the page or when you cut out the letters they will not all come out to be the same size.**

**3.) Cut each page along dotted line - this should divide your paper exactly in half in both directions.**

**4.) Punch holes in top corners of each letter and sting to create your hanging banner.**

**5.) Banner will spell "Happy Halloween" when completed.**
